RS DR. YAP Yogyakarta / DR. YAP Hospital Yogyakarta

Bapak Mawardi bertahun-tahun buta akibat pterigium dan tidak dapat bekerja. Istrinya menjadi buruh cuci, putrinya menjadi pedangdut jalanan untuk menghidupi keluarga. Tinggal di desa terpencil membuat mereka kesulitan mengurus BPJS, sehingga mata Bapak Mawardi tidak dapat diobati. Ketika Liga Dangdut Indosiar mengadakan audisi di Yogyakarta, putrinya mendaftar dan berhasil menjadi duta untuk Yogyakarta. Putrinya itu kemudian meminta bantuan kepada YPP untuk mengoperasi kedua mata ayahnya. Setelah operasi, Bapak Mawardi dapat kembali melihat dan bekerja untuk menafkahi keluarganya.

Mr. Mawardi was blind for years from the pterigium he suffered and could not work. His wife became laundrywoman and his daughter became dangdut street singer to support the family. Living in remote village made them hard to get BPJS (national health insurance), hence Mr. Mawardi's eyes could not be treated. When Liga Dangdut Indosiar held an audition in Yogyakarta, the daughter enrolled and won the audition as Yogyakarta ambassador. She, then, asked YPP to treat his father's eyes. After the surgery, Mr. Mawardi got his eyesight back and can work again to support his family.

Wijiono lumpuh akibat polio sejak kecil, tetapi dia pemuda yang bersemangat tinggi. Dia kesulitan melakukan kegiatan sehari-hari sejak kursi rodanya rusak. Terkadang ada yang meminjaminya, tapi Wijiono ingin punya kursi roda sendiri dan mendaftar ke YPP. Wijiono sangat gembira punya kursi roda sendiri dan baru. Diharapkan kursi roda tersebut bisa sedikit mempermudah kegiatannya sehari-hari dan menambah semangatnya untuk terus lebih baik.

Since childhood, Wijiono is paralyzed due to polio, but he is a high-spirited young man. He had trouble doing daily activities since his wheelchair got broken. Sometimes people lent him one, but he wanted to have his own wheelchair, so he contacted YPP for it. Wijiono was very happy to have his own and new wheelchair. Hopefully, the chair can facilitate a little of his daily activities and encourage him to live better.
