Ucapan Terima Kasih

Selama 19 tahun Indosiar dan SCTV sebagai anak perusahaan **Emtel Group** menjembatani kepedulian Perusahaan dan Pemirsa kepada masyarakat yang membutuhkan melalui Program Peduli Kasih dan Pundi Amal. Setelah 4 tahun lalu program sosial tersebut digabung menjadi Yayasan Pundi Amal Peduli Kasih ("YPP"), kepercayaan Pemirsa dan Mitra pun semakin besar terhadap YPP. Hal ini dibuktikan dengan puluhan milyar rupiah dan beragam penghargaan diterima oleh YPP dalam komitmennya menyalurkan bantuan tanpa memandang suku, ras dan agama.

Lebih dari 33,7 milyar rupiah didonasikan oleh Pemirsa melalui YPP guna membantu saudara-saudara kita yang terdampak bencana gempa dan tsunami di Lombok, Palu dan Selat Sunda. Dana itu dipergunakan untuk distribusi bantuan tanggap darurat, pembangunan kembali gedung sekolah, gedung ibadah, perbaikan lingkungan, serta upaya pemulihan ekonomi pasca-bencana.

Sementara itu, pada 2019, lebih dari 6,9 milyar rupiah dana Pemirsa dipercayakan kepada YPP untuk disalurkan kembali dalam bentuk bantuan pelayanan kesehatan, biaya pendidikan dan perbaikan lingkungan hidup.

For 19 Years, Indosiar and SCTV as the Emtel Group's subsidiaries have been bridging the Company's and Viewers' love towards the unfortunate people through the programs of Peduli Kasih and Pundi Amal. After these social programs were being merged into Pundi Amal Peduli Kasih Foundation ("YPP") about 4 years ago, YPP gained even bigger trust from the Viewers and Partners, which being proved by tens of billions of rupiahs and various awards that were accepted by YPP in its commitment to help the needy regardless of tribe, ethnicity and religion.

More than 33.7 billion rupiahs was donated by the Viewers through YPP to help our brothers and sisters who were affected by the earthquake and tsunami disasters in Lombok, Palu and Sunda Strait. Those funds were used to distribute emergency responses, reconstruct school buildings and worship places, also for environmental improvements and post-disaster economic recovery.

Meanwhile in 2019, more than 6.9 billion rupiahs of Viewers' funds were trusted to YPP to be distributed back to the people in the form of health assistance, scholarships and environmental improvements.

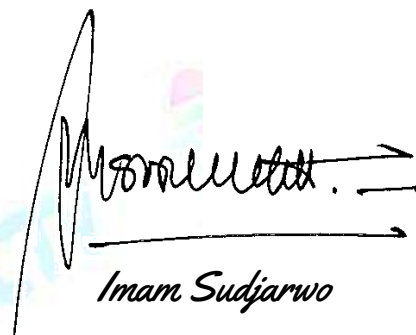

Komitmen, kerja keras dan konsistensi YPP inilah yang menghasilkan beragam apresiasi dari Mitra maupun lembaga pemerintah. Pada 2019 ini, YPP menerima penghargaan dari Kementerian Sosial, Palang Merah Indonesia (PMI) dan dari Badan Nasional Penanggulangan Bencana (BNPB) yang akan menjadi kebanggaan dan penyemangat bagi YPP untuk terus memperbaiki kinerja dan memperkuat komitmen sosialnya di masa yang akan datang.

Oleh sebab itu, puji syukur kami panjatkan kepada Tuhan Yang Maha Esa, karena atas rahmat dan izin-Nya, YPP dapat mengemban kepercayaan Pemirsa dan Perusahaan dengan baik, dan melalui Laporan Tahunan YPP 2019 ini, kami segenap pengurus YPP ingin menyampaikan rasa terima kasih yang sebesar-besarnya dan penghargaan yang setinggi-tingginya kepada para Donatur, Perusahaan dan Mitra atas seluruh dukungan dan kepercayaannya, sehingga YPP dapat melaksanakan kegiatan sosialnya dengan sangat baik.

These kinds of commitment, hard work and consistency that made YPP received many appreciations from the Partners and the government agencies. In 2019, YPP received awards from the Ministry of Social Affairs, the Indonesian Red Cross (PMI) and the National Disaster Management Agency (BNPB) as the pride and encouragement for YPP to continue to improve its performance and social commitment in the future.

Therefore, we would like to thanks the God Almighty for the grace and permission which allow YPP to well accomplish the trust that being given by the Audience and the Company. Also, through this 2019 YPP Annual Report, we as the Management of YPP would like to express our biggest gratitude and highest appreciation to the Donors (Viewers), the Company and Partners for all of their support and trust, which made YPP able to well accomplished its social activities.

Sejak lahir Nada Aulia mengalami penyimpangan usus besar yang menyebabkan feses tidak keluar melalui anus, melainkan melalui kemaluan. Hal ini tidak disadari ibunya karena 4 orang kakak Nada yang semuanya laki-laki tidak memiliki kelainan. Jika Nada mengeluh sakit saat buang air besar, ibunya hanya memberinya makan buah-buahan dan sayur. Barulah saat Nada berusia 4 tahun dan perut Nada membengkak, Nada dibawa ke dokter dan terdeteksi bahwa Nada mengalami penyimpangan usus besar dan harus segera dioperasi. Ayah Nada yang hanya berjualan sandal keliling di sekitar Cililin tidak memiliki biaya untuk operasi. Ayah Nada bertemu dengan staf AOC dan AOC mengajak YPP untuk bekerja sama membiayai operasi Nada. Operasi pertama dibiayai oleh YPP dan operasi kedua dibiayai oleh AOC.

Since birth Nada Aulia had been experiencing an anorectic malformation which caused feces did not went through her anus, but her genital. Her mother did not realize this because her four brothers are normal. If Nada felt pain during defecating, her mother only fed her with fruits and vegetables. Until one day, when Nada was turning 4 years old and her stomach got bloated, Nada was taken to a doctor who explained that it was an anorectic malformation and need an immediate surgery. But her father who only sells sandals around Cililin area has no money for the medical expenses. Nada's father met an AOC staff and the AOC invited YPP to collaborate in financing Nada's surgeries. The first surgery was funded by YPP and the second one was funded by AOC.

Kaki kanan Didi Efendi mengalami infeksi akibat kecelakaan enam tahun yang lalu sehingga harus diamputasi. Selama enam tahun Didi tersiksa menahan sakit karena tidak punya biaya dan kesulitan mengurus BPJS. Namun akhirnya, berkat bantuan dana dari donatur YPP, Didi berhasil menjalani operasi amputasi.

Didi Efendi's right leg had an infection due to the accident he faced six years ago and needed to be amputated. For six years he had suffered the pain because he has no medical expense and had difficulty in registering Governmental Health Services (BPJS). But with the fund from YPP donors, Didi finally could get the treatment that he needed.

Pahlawan Perbatasan Indonesia

Indosiar dan YPP mendukung para Ksatria Perbatasan Negeri dalam memperbaiki kesejahteraan dan pendidikan warga di wilayah perbatasan melalui Program Pahlawan Perbatasan Indonesia dengan menyediakan fasilitas yang dibutuhkan.

Through the program of Indonesian Border's Heroes, Indosiar and YPP supported the Knights of the Country's Borders who have been improving the welfare and education of the Indonesian border's people by providing them the required facilities.

Marwan Hawid, the Chief of Rawabiru Village, Sota District, Merauke, is an Indonesian Border Hero who taught the locals about farming, growing crops and trading since he served as the village chief in 1990.

Most of the villagers' profession were only fishermen, because when they hunt, they often have to throw away their games due to the far distance to the city (5 hours away by motorcycle).

At 2nd December 2019, through the Indonesian Border Heroes program in celebrating the Indosiar 25th Anniversary, Marwan Hawid received one unit pick-up, fishing nets and one unit of fishing machine in order to facilitate the locals in selling their crops, their games and to fish more efficiently.

MARWAN HAWID

Marwan Hawid, Kepala Desa Kampung Rawabiru, Distrik Sota, Merauke, merupakan Pahlawan Perbatasan Indonesia yang mengajarkan masyarakat setempat untuk beternak, bercocok tanam dan berdagang sejak beliau menjabat sebagai kepala desa pada 1990. Sebagian besar warga hanya berprofesi sebagai nelayan, karena jika berburu, terkadang mereka harus membuang hasil buruan akibat jauhnya jarak menuju kota (5 jam perjalanan menggunakan sepeda motor).

Pada 2 Desember 2019, melalui Program Pahlawan Perbatasan Indonesia HUT Indosiar ke-25, Marwan Hawid menerima sebuah mobil pick-up, jaring dan satu unit mesin katinting untuk mempermudah warga menjual hasil panen dan buruan, serta menangkap ikan dengan lebih efisien.

IPTU MAKRUf SUROTO

IPTU Makruf Suroto, Kapolsek Distrik Sota telah bertugas di perbatasan selama 26 tahun. Beliau mengajarkan warga perbatasan untuk berdagang dan bertani untuk memperbaiki kesejahteraan mereka. Hal ini menyebabkan banyak Warga Negara Indonesia yang tadinya pindah ke Papua New Guinea, berbondong-bondong kembali ke Indonesia dengan membawa serta keluarga mereka. IPTU Makruf juga memprakarsai lokasi perbatasan menjadi tempat wisata.

First Inspector of Police, Makruf Suroto, the Chief Police of Sota District has served on the Indonesian border for 26 years. He taught the border villagers to trade and to farm in order to improve their welfare. This action caused many Indonesian citizens who had previously moved to Papua New Guinea fled back to Indonesia with their families. First Inspector of Police Makruf Suroto also initiated a plan to make the border as a tourist spot.

Untuk meningkatkan penjualan dan pertanian warga, pada 2 Desember 2019, IPTU Makruf menerima 1 unit mobil *pick-up*, dan 3 mesin pemotong rumput yang pengelolaannya diawasi oleh Polsek Distrik Sota.

To increase the sales and crop of the villagers, on 2nd December 2019, the First Inspector of Police Makruf Suroto received 1 unit of pick-up, and 3 portable lawn mowers which the management will be supervise by the Sota District Police Station.

Infantry Major Rizky Aditya is the Battalion Commander of the Border Security Task Force servicing at the Indonesian and Papua New Guinea's border, Yanggandur Village, Sota, Merauke, Papua. Besides securing the borders, he also carried out many social activities, one of which was to eradicate illiteracy. In order to facilitate the program, Indosiar and YPP donated one unit pick-up which being modified to a mobile library, packages of reading and story books, and one unit generator set. The handover was carried out by Indosiar's representative to Cavalry Colonel Ketut Adi Suasta Putra, and then being handed to Infantry Major Rizky Aditya.

MAYOR INF. RIZKY ADITYA

Mayor Infanteri Rizky Aditya adalah Komandan Batalyon Satuan Tugas Pengamanan Perbatasan Republik Indonesia-Papua New Guinea yang bertugas di Kampung Yanggandur, Sota, Merauke, Papua. Selain mengamankan perbatasan, Beliau juga banyak melakukan aktivitas sosial, salah satunya memberantas buta aksara. Untuk mempermudah program tersebut, Indosiar dan YPP menyerahkan satu unit mobil *pick-up* yang sudah dimodifikasi menjadi perpustakaan keliling, paket buku bacaan dan buku cerita, serta satu unit genset. Serah terima dilakukan oleh perwakilan Indosiar kepada Kolonel Kavaleri Ketut Adi Suasta Putra, lalu dari Beliau kepada Mayor Infanteri Rizky Aditya.
