LETTER FROM THE MANAGEMENT

Ketika seluruh dunia dihantam pandemi Covid-19, begitu juga dengan Indonesia. Ibu Pertiwi yang tengah berjuang keras memulihkan diri dari bencana gempa bumi, tsunami dan tanah longsor yang menghantam di tahun-tahun sebelumnya, harus kembali menghadapi ujian yang cukup berat akibat virus Corona / Covid-19 yang menelan banyak korban jiwa, tidak hanya dari kalangan masyarakat umum, tapi juga tenaga medis.

Namun demikian, atas berkat rahmat Allah SWT, Tuhan Yang Maha Esa, diiringi kerja keras seluruh jajaran Manajemen dan karyawan, Emtek Group masih diberi kekuatan untuk bertahan dan memberikan dukungan yang begitu besar kepada Yayasan Pundi Amal Peduli Kasih ("YPP") sebagai perpanjangan tangan Perusahaan (Emtek Group) untuk turun mendistribusikan bantuan kepada masyarakat yang membutuhkan.

Emtek Group di tahun 2020 tidak hanya mendonasikan Rp 6,3 Miliar pendapatan iklan untuk penanganan Covid-19 kepada YPP, tetapi juga membiayai seluruh biaya operasional YPP sepanjang tahun, sekaligus memberikan dukungan publikasi melalui seluruh media elektronik dan digital yang berada di bawah naungan Emtek Group.

Sementara itu, kepercayaan Pemirsa SCTV dan Indosiar serta para Donatur lainnya kepada YPP juga tetap tinggi karena meskipun ikut terdampak Pandemi, para dermawan tersebut tetap bersedia menyisihkan sebagian harta mereka dan didonasikan melalui YPP.

Tercatat sebesar Rp 33 Miliar berhasil terkumpul dari berbagai platform donasi resmi YPP dan disalurkan kembali kepada masyarakat yang membutuhkan serta tenaga medis yang menangani Covid-19 dalam bentuk sembako, APD, Ventilator, pemberdayaan masyarakat, beasiswa, dll.

Oleh sebab itu, melalui Laporan Tahunan YPP 2020 ini, kami segenap Pengurus YPP ingin memanjatkan rasa syukur yang sedalam-dalamnya kepada Allah SWT, Tuhan Yang Maha Esa atas rahmat dan karunia-Nya, juga rasa terima kasih yang sebesar-besarnya dan apresiasi setinggi-tingginya kepada seluruh Donatur, Mitra dan Emtek Group yang telah memberikan dukungan dan kepercayaan yang begitu luar biasa sehingga YPP dapat mengemban amanah dan menyelesaikan tugas sosial yang telah dipercayakan dengan baik.

When the whole world was hit by the Covid-19 pandemic, so was Indonesia. The Motherland, who was struggling hard to recover from the earthquake, tsunami and landslide disasters which struck her in the previous year, had to face another heavy test due to Corona or Covid-19 virus which has claimed many lives, not only the common people, but also health workers.

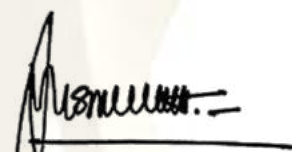

However, thanks to the grace of Allah SWT, God Almighty, along with the hard work of the Management from all levels and employees, Emtek Group was still being blessed with the strength to survive and provide such great support to the Pundi Amal Peduli Kasih Foundation ("YPP") as an extension of the Company (Emtek Group) to go and distribute the assistance to the people in need.

Emtek Group, in 2020, has not only donated Rp 6.3 billion of its advertising revenue to YPP which intended for the Covid-19 handling, but has also financed all of YPP's operational cost throughout the year, as well as providing publication support through all of its electronic and digital media.

Meanwhile, the trust of SCTV-Indosiar's Viewers and other Donors were remained high because despite being affected by the Pandemic, these generous donors were still willing to set aside some of their money and donated them to YPP.

It was recorded that Rp 33 billion had been raised from various YPP's official donation platforms and then being distributed back to the community in need and health workers on duty for Covid-19 handling in the form of staple food, PPE, ventilators, social empowerment, scholarships, etc.

Therefore, through this 2020 YPP Annual Report, we all of YPP Management would like to express our deepest gratitude to Allah SWT, God Almighty, for His mercy and grace, as well as the greatest gratitude and highest appreciation to all Donors, Partners and Emtek Group for such enormous support and trust which allowed YPP to carry out the mandate and well accomplished the social tasks that have been entrusted to us.

BANTUAN COVID-19 COVID-19 ASSISTANCE

Maret 2020, Organisasi Kesehatan Dunia (WHO) menetapkan Covid-19 sebagai pandemi global. Keputusan WHO itu dikeluarkan ketika virus Corona telah menyebar di 118 negara dan salah satunya adalah Indonesia.

March 2020, the World Health Organization (WHO) had declared Covid-19 as a global pandemic. The WHO decision was issued when the Corona virus had spread to 118 countries including Indonesia.

Sama seperti di negara lainnya, pandemi di Indonesia juga memberikan dampak besar di berbagai sektor.

Pembatasan kegiatan yang mengundang kerumunan demi mencegah penyebaran Covid-19 telah berimbas pada berkurangnya bahkan hilangnya penghasilan sebagian besar masyarakat Indonesia.

Selain itu, besarnya jumlah pasien meninggal terdampak Covid-19, tidak hanya datang dari kalangan umum, tapi juga dari kalangan medis, dan hal ini sangat tragis mengingat mereka sangat dibutuhkan untuk merawat pasien yang terinfeksi virus. Tentu saja hal ini dapat memperlambat penanganan virus di Indonesia.

Just like in other countries, the pandemic in Indonesia has given a major impact in various sectors.

The restrictions on activities with crowd-gathering potential in order to prevent the spread of Covid-19 virus have resulted in a reduction or even loss of income for most Indonesians.

Moreover, the large number of infected people who died due to Covid-19 was not only came from the common people, but also from the health workers and it was so tragic considering that their service are needed in curing the infected patients. This situation will certainly complicate the virus management in Indonesia.

Tim YPP turun ke jalan mendistribusikan nasi boks dan hand sanitizer bagi masyarakat yang terdampak pandemi, tapi harus tetap keluar demi mencari nafkah. Dalam mendistribusikan bantuan, Tim YPP tetap mengikuti protokol kesehatan yang ditetapkan pemerintah.

The YPP Team distributed directly the assistance of rice boxes and hand sanitizers to the people who were affected by the Pandemic, but they still had to go out and earn their living. In distributing the assistance, YPP Team always followed the health protocols established by the Government.

Untuk menggerakkan perekonomian arus bawah yang lesu akibat Pandemi, YPP juga mengadakan program Kejutan Makan Gratis yang bekerja sama dengan beberapa warung makan di area Pamulang.

To drive the low level economic gear, which was running slow due to the Pandemic, YPP also created a Free Food Surprises in collaboration with several small restaurant at Pamulang area

Pada bulan Mei, YPP bekerja sama dengan Bukalapak mendistribusikan 10.000 paket sembako Emtek Peduli Corona melalui warung-warung di wilayah DKI Jakarta yang telah menjadi mitranya.

Hal ini disambut baik oleh masyarakat karena masih banyak warga yang belum mendapatkan bantuan sembako dari pemerintah.

In May, YPP collaborated with Bukalapak to distribute 10,000 Emtek Peduli Corona staple food packages through their store partners located in DKI Jakarta.

The program was welcomed by the community because some of the people had not yet received staple food assistance from government.

Untuk mekanisme pembagian, Bukalapak memiliki platform yang mengharuskan Warung menginput Nomor Kupon, Nomor KTP serta foto penerima, sehingga satu penerima tidak bisa mendapatkan double paket sembako.

Pemilik warung juga sangat senang dapat berbagi dengan tetangga mereka, dan mereka juga lebih tahu situasi di sekitar mereka, sehingga mempercepat YPP dalam hal survei.

For the distribution mechanism, Bukalapak has a platform which requiring the store to input their ID and coupon numbers and then to upload the recipient photograph, which prevented the recipient in getting double packages.

The store owners were also very happy because they were able to share with the neighbours, plus they knew better the situation around them, which could speed the YPP's survey activities.

BANTUAN MODEM WIFI DAN PAKET INTERNET WIFI MODEM AND INTERNET PACKAGE ASSISTANCE

During the pandemic period and the implementation of the PSBB (Large-Scale Social Restrictions) policy, many adjustments were made by the community, especially for the activities that were crowd-gathering potential. One of them was the change of school teaching and learning system, from face-to-face into distance learning system using the internet-based media.

For some people, the expense of monthly internet quota was quite a burden considering that the pandemic has taken away their jobs and income. Not to mention the other obstacle, such as poor signal.

Even though the Government has spread wifi transmitter poles in many locations, still for some reason there are some locations that have not received them. Therefore, intending to help the Government program, YPP provided the wifi networks and modems for the location that have not being covered.

The six locations that were becoming the testing sites: Banyumas, Cilegon, Aceh, Kediri, Jember and Kupang.

Selama masa pandemi dan diterapkannya kebijakan PSBB (Pembatasan Sosial Bersekala Besar), banyak penyesuaian dilakukan oleh masyarakat terutama untuk kegiatan yang sifatnya berkerumun. Salah satunya, yaitu berubahnya kegiatan belajar-mengajar tatap-muka menjadi sistem belajar jarak jauh melalui media berbasis internet.

Bagi sebagian masyarakat, pengeluaran membayar kuota internet setiap bulannya dirasakan cukup berat mengingat pandemi telah merenggut pekerjaan dan penghasilan mereka. Belum lagi hambatan lainnya, seperti kesulitan sinyal.

Meskipun Pemerintah sudah menyebar tiang pemancar wifi di banyak lokasi, tetap saja untuk alasan tertentu masih ada beberapa lokasi yang belum mendapatkannya. Itu sebabnya, YPP melalui Stasiun Transmisi Indosiar-SCTV berupaya ikut membantu Pemerintah memberikan bantuan jaringan wifi dan modem bagi lokasi yang belum mendapatkan bantuan.

Enam lokasi yang menjadi uji coba YPP adalah: Banyumas, Cilegon, Aceh, Kediri, Jember dan Kupang.

Penggunaan modem wifi diawasi oleh Staf Transmisi dan Guru atau RT setempat.

The wifi modems utilization were being supervise by the Transmission staffs, teacher or local leader.

Beasiswa 2020 SCHOLARSHIPS

Berikut beberapa profil mahasiswa yang berhasil mendapatkan gelar sarjana dengan bantuan dana dari donatur YPP.

Here are some profiles of the students who have successfully graduated with a bachelor's degree funded by YPP's donors.

Kasmiati

Sempat mengalami musibah cukup besar tidak menyurutkan semangat Kasmiati menyurutkan keinginannya untuk maju demi memperbaiki hidupnya. Tinggal di pulau terpencil di NTT, bekerja serabutan demi menafkahi keluarga dan seorang anaknya, Kasmiati berkeinginan kuat untuk meneruskan pendidikannya ke jenjang universitas. Pada 2020, empat tahun kemudian, dengan bantuan para donatur YPP, Kasmiati pun berhasil mendapatkan gelar sarjana dan membuat keluarga bahkan masyarakat sekitarnya bangga.

Having experienced a major disaster did not dampen Kasmiati's enthusiasm to be success in order to improve her life. Living in a remote island of East Nusa Tenggara, working odd jobs to support her family and a child, Kasmiati has a strong desire to continue her education to university level. In 2020, four years later, with the help of YPP's donors, Kasmiati managed to get a bachelor's degree and made her family and even the surrounding community so proud of her.

Anggreni

Anggreni juga seorang mahasiswi asal Maumere, NTT, tinggal bersama paman dan bibinya. Sehari-hari, Anggreni bekerja membantu bibinya di warung. Meskipun demikian dia memiliki keinginan keras untuk bisa melanjutkan ke perguruan tinggi. Anggreni ingin maju dan memperbaiki perekonomian keluarga. Dengan kegigihan dan kepandaiannya, Anggreni juga berhasil lulus menjadi sarjana pada 2020 dengan bantuan dana para donatur YPP.

Anggreni was also a student from Maumere, East Nusa Tenggara, who lives with his uncle and aunt. Every day, Anggreni helped her aunt at the shop. However, she has a strong desire to be able to continue her study to college level. Anggreni wanted to be successful and improve her family's economy. With her persistence and intelligence, Anggreni also managed to become a bachelor in 2020 with the help of YPP's donors.

Bidang Lingkungan 2020

2020 Environment Sector

Selama masa pandemi kegiatan reguler YPP di Bidang Lingkungan hanya berkaitan dengan pembangunan atau rehabilitasi jembatan yang akan berdampak pada peningkatan kesejahteraan masyarakat di desa terpencil.

During the pandemic period, YPP's regular activities in the Environment Sector were only related to the construction or the rehabilitation of bridges, which eventually would impact the improvement of the remote villagers' welfare.

Kegiatan lingkungan lainnya seperti distribusi sembako, pemberian modal dagang, mesin jahit, dan lain sebagainya, dilaporkan di Bidang Bencana sesuai dengan pengajuan izin PUB.

Other environmental activities such as staple food distribution, trading capital and sewing machines assistance were being reported in the Disaster Management Sector, which is in accordance with the submission of PUB (money and good collection) permission.

JEMBATAN GANTUNG DESA BATU CIHIDEUNG

SUSPENSION BRIDGE OF BATU CIHIDEUNG HAMLET

Desa Batu Cihideung terletak di Kampung Dukuh Handang, Pandeglang, Banten yang dapat ditempuh menggunakan mobil selama dua jam melewati jalan rusak dari Jalan Raya Cibaliung. Meski berada di dekat tambang emas, Kampung Dukuh Handang dapat dikatakan minim infrastruktur. Bahkan untuk mencapai Kampung Pematang Kalong yang berada di seberang pun mereka kesulitan karena tidak adanya jembatan yang dapat menghubungkan mereka. Mereka harus menunggu laut surut untuk menyeberangi sungai dan mencapai kampung seberang tersebut.

Menggunakan dana yang digalang melalui program Jembatan ASA SCTV, YPP bekerja sama dengan Yayasan Relawan Kampung pun membangun sebuah jembatan gantung untuk memfasilitasi kegiatan warga yang sehari-harinya berprofesi sebagai petani kelapa, pisang dan penangkap lobster ini.

The hamlet of Batu Cihideung is located at Dukuh Handang Village, Pandeglang, Banten, which takes about two hours drive of bad road from Cibaliung main road. Even though the village is located near a gold mine facility, the village has minimal infrastructures. They can not even reach Pematang Kalong village, which is located on the other side of the river for there is no bridge to connect them. To do that, they have to wait for the sea to recede and then they can cross to the other side.

Using the fund raised through the SCTV Bridges of Hope program, YPP collaborated with Relawan Kampung Foundation in building a suspension bridge to facilitate the local daily activities, whom most of them are working as banana and coconut farmers, and lobster catchers.

Jembatan ASA SCTV

SCTV BRIDGES OF HOPE

Semenjak jembatan gantung tersebut difungsikan, anak-anak tidak perlu lagi menunggu air laut surut untuk bersekolah. Sepatu, seragam dan buku mereka tidak perlu lagi basah, dan mereka pun tidak perlu menantang bahaya untuk bisa mengejar cita-cita mereka.

Since the suspension bridge was built, the children did not have to wait for the tide to recede in order to be able to go to school. Their shoes, uniforms and books did not have to be wet anymore, and no more facing any danger in order to pursue their dreams.

Dalam acara peresmian sederhana yang digelar di Desa Batu Cihideung, warga Kampung Dukuh Handang dan Kampung Pematang Kalong mengucapkan terima kasih kepada para donatur yang telah menyampaikan kepedulian mereka melalui YPP sehingga mereka bisa mendapatkan sebuah jembatan gantung yang sudah lama mereka impikan dan dapat menghubungkan kedua kampung mereka. Mereka juga menyampaikan bahwa sejak jembatan itu dibuat, penghasilan mereka dalam menjual kelapa, pisang dan lobster juga meningkat, karena jarak tempuh menjadi jauh lebih singkat dan aman. Sebanyak 100 paket sembako juga diberikan kepada warga untuk meringankan beban mereka di masa pandemi.

In a humble inauguration of the bridge at Batu Cihideung hamlet, the villagers of Dukuh Handang and Pematang Kalong conveyed their utmost gratitude to the donors for their donation through YPP. They finally have a suspension bridge that they've been dreaming for so long, and can connect the two villages. They also stated that since the bridge was built, their income from trading coconuts, bananas and lobsters has increased for the distance has become shorter and safer. A total of 100 packages of staple food were also distributed to the people to help them during the pandemic period.

MITRA PARTNERS 2020

Tanpa Mitra, YPP akan kesulitan untuk menyalurkan bantuan secara efisien dan tepat sasaran karena sumber daya manusia dan fasilitas yang terbatas, terutama di masa pandemi.

Oleh karena itu, selain mengerahkan staf transmisi dan koresponden Indosiar-SCTV yang tersebar di seluruh Indonesia, YPP juga bekerja sama dengan banyak lembaga maupun individu untuk proses survei, pengadaan barang, hingga distribusi bantuan ke berbagai pelosok di Indonesia.

Berkat kerja sama yang terjalin begitu baik inilah, YPP berhasil mengemban amanah Perusahaan (EMTEK) dan Pemirsas Indosiar-SCTV dalam menyampaikan kepedulian mereka kepada masyarakat yang membutuhkan di seluruh Indonesia.

Untuk ketulusan dan semangat filantropi yang begitu luar biasa tersebut, segenap Manajemen YPP ingin mengucapkan terima kasih yang sebenar-besarnya, serta menyampaikan penghargaan setinggi-tingginya kepada seluruh Mitra YPP yang tidak dapat disebutkan satu persatu dalam Laporan Tahunan YPP 2020 ini:

Without the Partners, YPP will find it difficult to distribute the assistance efficiently and on target due to the limited human resources and facilities, especially during the pandemic.

Therefore, besides assigning the Indosiar-SCTV's transmission station staffs and news correspondents throughout Indonesia, YPP also collaborates with many institutions and individuals to process the surveys, procurement of goods, and the distribution of assistance to various corners of the Country.

Thanks to this well-established collaboration, YPP has succeeded in carrying out the Company's (EMTEK) and Indosiar-SCTV Viewers' mandate, which is to convey their concern towards the people in need all over the Country.

So, for this extraordinary sincerity and philanthropic spirit, all of YPP's Management would like to express their sincere gratitude, and express their highest appreciation to all of YPP's Partners who cannot be stated one by one in this YPP 2020 Annual Report:
